CONFIDENTIAL.

Dated the 28th August 1917.

Dear Sir,

Your D.O. No.J. 679/Legis.50-16-2 dated 25th August 1917.

Section 17 of the Mines Regulation has so far been used in practice with great discrimination and I believe it will be used with equal discrimination in the future. It is very useful in dislodging dealers in illicit gold who cannot otherwise be easily dealt with and is therefore absolutely needed for the six villages named which are either quite close to the Mines or are on the way to go out of the Field with gold.

The extension of Section 17 is absolutely needed also for six other villages which have been since found to give facilities to dealers in illicit gold. These villages are:-

1. Gatragadahalli.
2. Dinnepalli.
3. Kambampalli.
4. Nakkanapalli.
5. Masikam village (Upper and Lower).

& 6. Dimbala.

and may also be included in the notification.

As I said before, a great deal of discrimination will be required in the practical working of Section 17 especially

in agricultural villages of the kind now recommended which are on the borders of the times, but I feel sure that the local officers will use sound judgment and that no practical difficulties will be found to exist to necessitate the withdrawal at a future time of the notification for the agricultural village.

Yours sincerely,

G. Srinivasa Iyer, Beq, B.A, M.L.,
Assistant Secretary to Govt,
